2 Billing Account

- 2.1 Money in your Billing Account is held by our Bankers. Money in your Acom Account does not constitute a deposit and will not earn interest.
- 2.2 **Paying In** - You can pay money into your Billing Account:
- 2.2.1 by electronic funds transfers, if you expect to receive large payments, especially if originating overseas, or international payments of any kind, we may not accept these without prior arrangements. We do not accept payments in third party names. And also proof of source of the funds may be requested. We may refuse to accept a payment into your account if we reasonably believe that doing so may cause us to breach a legal requirement or expose us to action from any government or regulator.
- 2.2.2 by cash or cheque payable to you using only bank GIRO slips supplied by Acom Account. The maximum amount of cash allowed to be paid in is £500. The value of the cash will be credited to your account upon receipt by us. We reserve the right to withhold any amount paid in over £500 for a maximum period of 20 business days. The value of the cheque(s) will be credited to the Billing Account after 4 business days unless we receive notice of non-payment; we are waiting for proof of source as per 2.2.1 or we believe you have committed fraud. We do not accept cheques payable to a third party and endorsed in your favour. Any cheques received directly by us will be returned to the address we hold, provided by you. We may block accounts where excessive credits are made. Separate GIRO slips should be used for cash or cheque(s). Contact us or see our website for locations where you can pay in using this method.
- 2.3 If money is paid into the account from abroad, we will tell you the original amount received and any charges. Any foreign currency received will be converted into Sterling by our Bankers. Should the credit be rejected for whatever reason, the money will be converted back to the original currency before being returned. You will be liable for any losses incurred due to currency exchange fluctuations and charges applied by the relevant banks.
- 2.4 We do not accept foreign cheques. However, should such a cheque be accepted by our Bankers they will be subject to recourse and cannot be considered cleared funds as such items are subject to differing clearing rules. Funds will not be credited to the Billing Account for 12 months from presentation. In the event that the foreign cheque is returned unpaid, we will debit your account with the amount originally credited, along with any losses, and costs, including exchange rate fluctuations and any other charges that we may have been incurred.
- 2.5 If we are told, for example by another bank, that money has been paid into your account in error; we can take an amount up to the payment amount from your account. We do not have to ask you to agree this but will let you know if it happens. We will act reasonably and try to minimise any inconvenience to you.
- 2.6 The maximum balance permitted in your Billing Account is £50,000. This limit may vary from time to time. There is no overdraft facility on your Billing Account.

- 2.8.3 by requesting to send money abroad (some countries are excluded). Should the payment be declined for any reason; the money will be returned to the account and the charges refunded.
- 2.8.4 by a regular bill payment / standing order (using Faster Payments), or by direct debit. We do not accept direct debits under the SEPA Direct Debit Scheme.
- 2.8.4.1 You can cancel or change a bill payment / standing order or direct debit by going to our website or contacting us so we can do this for you. Cancellations or changes must be made 3 business days prior to the due date to prevent automatic payment. Money that has left your account via regular bill payment/ standing order cannot be recalled. If you wish to cancel or change a direct debit, as well as telling us so that we can amend any further payments, please also tell the business or organisation the direct debit is with so they can make the amendment.
- 2.8.4.2 A business or other organisation you have a direct debit with will normally tell you 10 working days before changing the payment dates or amount of money they ask us to pay them from your account. We allow direct debit payments to be collected from your account on the date specified in the direct debit instruction. If you think there has been an incorrect direct debit payment you should tell us immediately so that we can arrange a refund. If you have a dispute about a direct debit you will need to resolve the dispute with the company or organisation directly.
- 2.8.4.3 If a regular bill payment / standing order or direct debit is due to be paid from your Billing Account and the balance is insufficient we will not make the payment. We will text you to notify you that we have not made the payment. You must then make alternative arrangements for payment to the intended recipient. We may prioritise standing order payments so that certain payments are given higher priority than others. We will tell you if this is the case. We may also refuse to act on any instruction you give us including payment instructions where we believe that:
- the instruction is incomplete

- valid consent has not been given
 - you or someone else is using the account illegally, fraudulently or outside the terms of these Terms and Conditions
 - we are required to do so for regulatory or legal reasons
 - there are insufficient funds in the Account to process the payment
- 2.8.5 If, for any reason whatsoever, you are able to make a withdrawal when there are insufficient funds in your Billing Account for that transaction (a 'shortfall'), we will seek reimbursement of the shortfall from you immediately. If there are sufficient funds available on your Card, we will transfer the shortfall amount from your Card (s) into your Billing Account. We may also seek reimbursement of the shortfall from any other account that you have with us, from another payment method that you may nominate at that time, or from any funds that you subsequently pay into your Billing Account or Card. If there is an entry which seems to be wrong, you should tell us as soon as possible so that we can investigate it. During our investigation, you should co-operate with us and with the police, if we need to involve them.
- 2.10 **Account Status** To keep your account in good standing you must maintain a positive balance and enough funds in the Billing Account to cover the Acom Account monthly management fee, which, if applicable, will be charged on the 1st calendar day of each month. If there are insufficient funds in the Billing Account to pay the minimum account fee and there are sufficient funds in the Card Account, you agree to allow us to move enough money from the Card Account to pay the account fee. If there are insufficient funds in either account to pay this fee for 2 consecutive months, we will suspend your account. When new funds are paid into the account, we will collect the two monthly fees in arrears.
- 2.11 **Fees** We will deduct the value of your monthly management fee, if applicable, from the balance on your Billing Account when they become due and we will deduct any transaction charges real-time. Please see Section 10 for the fees payable for the facility.

- 3.6 **Statements** To help you manage your Card Account and check entries on it, you can access account statements on our website. You may download these statements at no charge, or you can ask us for a paper copy of the statement for which a fee may be charged. You should check your statement regularly. If there is an entry which seems to be wrong, you should tell us as soon as possible so that we can investigate it. During our investigation, you should co-operate with us and with the police, if we need to involve them. Your statement will show:

- 4.6 If, for any reason whatsoever, you are able to make a transaction when there are insufficient funds on your Card Account for that transaction (a 'shortfall'), we will seek reimbursement of the shortfall from you immediately. If the shortfall results from a retailer error, we will seek the shortfall from the retailer, we will need more information and assistance from you for this, after which the redemption may take up to 45 days after the investigation has been completed. Otherwise, we will seek to transfer the shortfall amount from your Billing Account, any other account that you have with us, from another payment method that you may nominate at that time, or from any funds that you subsequently pay into your Billing Account. - 5.3 All transactions require authorisation. We will not normally authorise a transaction if the balance on your Card is insufficient to cover the transaction and any related transaction fee.
- 5.4 You have 13 months to notify us of any unauthorised payment transactions on your Card.
- 6 **Our liability**
- 6.1.1 We cannot guarantee that a retailer will accept your Card or that we will necessarily authorise any particular transaction because of a system problem, events outside our reasonable control, or because we are concerned about misuse of your Card. Accordingly, we shall not be liable if a retailer refuses to accept your Card, if we do not authorise a transaction, or if we cancel or suspend use of your Card. Unless otherwise required by law, we shall not be liable for any direct or indirect loss or damage you may suffer as a result of your total or partial use of, or inability to use, your Card, or as a result of the use of your Card by any third party. After the investigation, we will immediately redeem the transaction amount and associated charges that were not authorised by you, provided you have kept your Card and PIN secure, you have not acted fraudulently, and you have acted with reasonable care. However, if the investigation shows that the disputed transaction was authorised by you, or has been completed due to negligence by you, we will reverse the redemption and we may charge an administration fee to your Billing Account.
- 7.7 Transactions less than £50 in value may not be investigated. You may be liable for that loss, and you will be responsible for recovering any losses from the merchant.

- 7.9.3 If we fail to comply with these terms and conditions, we are responsible for loss or damage you suffer that is a foreseeable result of our breaking these terms and conditions or failing to use reasonable care and skill. Loss or damage is foreseeable if either it is obvious it will happen or if, at the time the contract was made, both we and you know it might happen.
- 7.9.4 We will not be liable for any default resulting from any abnormal or unforeseeable circumstances beyond our control (such as acts of God, terrorism, war, government action or natural disaster), the consequence of which would have been unavoidable despite all our efforts to the contrary.

- 16 Compensation**
- 16.1 The Card is an electronic money product and although it is a product regulated by the Financial Conduct Authority (FCA), it is not covered by the Financial Services Compensation Scheme (FSCS). No other compensation scheme exists to cover losses claimed in connection with the Card. This means in the unlikely event that Fair Payments Limited becomes insolvent the funds held on your Card Account may become valueless and unusable and as a result you may lose your money. However, as a responsible e-money issuer, Fair Payments Limited ensures that, once it has received your funds, they are deposited into a secure account specifically for the purpose of redeeming transactions made by your card. In the unlikely event that Fair Payments Limited becomes insolvent, these funds should be protected on your behalf.
