

Adding your card to PayPal

- 1 Log in to PayPal.
- 2 From the My Account homepage, go to Profile and then choose My Money. Click "update" next to your existing Debit & Credit Cards. Then click on the button Add a Card.
- 3 Fill in your details from your card then click Add Card when you're finished.

Please note, you must have at least £2 available on your card for PayPal to call for an authorisation payment, which is then refunded.

New PayPal Customers:

- 1 Sign up for PayPal.
- 2 From the My Account homepage, go to Profile and then choose My Money. You will be given the option to "Add a Debit or Credit Card", click Add Card.
- 3 Fill in your details from your card then click Add Card when you're finished.

Please note, you must have at least £2 available on your card for PayPal to call for an authorisation payment, which is then refunded.

Withdrawing money to your account

- 1 From the My Account homepage go to Withdraw then choose Transfer to Bank Account.
- 2 Fill in the details about your account then click Add Bank Account when you're finished (see below)

New PayPal Customers:

- 1 From the My Account; go to Withdraw then choose Transfer to Bank Account.
- 2 Fill in your details about your account then click Add Bank Account when you're finished (see below)

Sort Code	(six digits)	<input type="text" value="62"/> <input type="text" value="30"/> <input type="text" value="88"/>
Account Number	(eight digits, no dashes)	<input type="text" value="76107256"/>
Bank/Building Society Name	NAT WEST BANK PLC	
Branch Location	HO COLLECTION ACCOUNT	

Our funds are held with NatWest, which is why this is used as the Bank/Building Society Name.
